EXPERIENCE

Olayo

Feb. 2026 – Present

Co-Founder

Dhaka, Bangladesh

- Built scalable backend services and APIs for client web applications, focusing on performance, maintainability, and clean architecture.
- Led projects from client requirement gathering to deployment, collaborating closely with stakeholders to deliver production-ready solutions.
- Worked across the full development lifecycle, translating business requirements into reliable software while maintaining code quality and system scalability.

Anymotion Studio

Aug. 2024 – May 2025

Content Developer

Dhaka, Bangladesh

- Created digital content and marketing materials for multiple campaigns while maintaining consistent brand identity across platforms.
- Collaborated with designers and marketing teams to plan and publish engaging content for online audiences.

ESS Global Tech & M/S Mitali International (Alibaba Channel Partner)

Sep. 2022 – Aug. 2023

Customer Service Representative / Executive

Dhaka, Bangladesh

- Provided technical and customer support to international clients, resolving platform and account-related issues efficiently.
- Managed customer inquiries and improved support workflows to enhance response time and client satisfaction.

Neways International Company Limited

Mar. 2022 – Aug. 2022

Social Media Manager & Creative Content Writer

Dhaka, Bangladesh

- Managed social media platforms and produced creative content to strengthen the company's online presence.
- Planned and executed content campaigns that improved audience engagement and maintained brand consistency.

PROJECTS

Biriyani Dibe

[Live Demo](#) | [GitHub](#)

Viral Crowdsourced Map Platform

Ramadan 2025

- Built and launched a crowdsourced map platform that grew to **100K+ active users** during Ramadan and received nationwide media coverage with over **5M+ impressions**.
- Scaled the platform using **Cloudflare Pages**, Edge caching, and backend optimizations to handle viral traffic while implementing protections against automated spam submissions.

CampusIQ

[Live Demo](#)

AI-Powered University Discovery Platform

2026

- Built an AI-powered platform that helps students compare **165+ Bangladeshi institutes** based on GPA, preferred major, tuition budget, and scholarship eligibility.
- Developed a **FastAPI** backend with an autonomous Python crawler and AI validation pipeline that automatically discovers, validates, and synchronizes tuition and scholarship information from university websites.

GhostCMO

[Live Demo](#)

AI-Powered Influencer Discovery & Campaign Planning Platform

2026

- Built an AI platform that matches Bangladeshi brands with high-fit creators using semantic similarity, audience demographics, engagement quality, and campaign budget constraints.

- Designed an AI orchestration pipeline combining **RAG**, vector embeddings, and LLM reasoning to rank creators, generate creator-specific content strategies, and produce explainable marketing recommendations.

BiyeShadi

[Live Demo](#)

Interactive Wedding Invitation Platform

2026

- Built an interactive wedding invitation platform that converts traditional printed invitations into customizable, shareable websites for Bangladeshi weddings.
- Developed the platform using **Next.js**, **Tailwind CSS**, and **Supabase**, implementing Google Authentication, RSVP management, dynamic invitation pages, event timelines, maps, and personalized media.

LEADERSHIP & ADDITIONAL EXPERIENCE

Binnash Foundation

Co-Founder

- Co-founded a non-profit organization focused on education, youth empowerment, and community development initiatives across Bangladesh.
- Led volunteer teams and coordinated projects, partnerships, and community outreach activities.

IUBAT IT Society

Additional Manager, Media & Publication

- Managed digital content and social media to promote technical events, workshops, and student activities.
- Collaborated with the media team to produce promotional materials, publications, and event coverage.

PUBG Mobile (8th Anniversary Tour)

Media Production Team Manager

- Led the media production team during a nationwide esports tour, coordinating content creation and on-site production under tight deadlines.

Infinix Mobile

Project Supervisor

- Supervised digital media projects, coordinated cross-functional teams, and ensured timely delivery aligned with brand guidelines.
